MY DAILY ROUTINE

I have a busy programme.

My mornings start with the sound of the alarm clock at seven o'clock sharp.

With my eyes half-open, I go to the bathroom where I wash myself, brush my teeth and comb my hair.

After that I get dressed and have breakfast. I usually drink a cup of milk and eat a sandwich or some bread and butter.

At a quarter to eight I leave for school.

Classes start at eight and I study a lot of subjects: Romanian, English, Maths, History, Geography, Music, Art, PE, RE.

At school I do a lot of things: read, write, draw, sing, talk, do exercises, answer the teacher's questions.

When I get home from school at noon I have lunch and take a nap.

Then I do my homework. First I learn the lessons and then I do the exercises.

I have dinner with my parents. We talk about school and my friends, sometimes we tell jokes.

After dinner I watch TV, then my parents help me with my homework or check it.

In the evening I sometimes play with my friends or my pet.

At about 10 pm I'm dead tired so I go to bed.

Well, this is my programme on a week day. It's different at weekends and on holidays.
